

NEWARK RETURNS TO THE RIVER

WHOSE RIVER IS IT?

For the past 30 years, Newarkers have organized, advocated, and worked hard to reclaim their riverfront. This year, a first section of riverfront park opened to the public. But where did this new park come from? How was it designed and who was involved? What is the future of the riverfront?

Join Urban Designer Damon Rich and Riverfront Coordinator Chris Caceres for a 6-week program investigating these questions and more, and designing and building ways to share what we learn with the community.

WHAT

6-week youth design/build riverfront workshop

WHEN

Starts August 2, 2012 and meets Thursdays 4-6 pm

WHO

Open to residents ages 8-18 of Terrell Homes & Aspen Riverbank Apartments. Recommended for young people interested in art, design, building, and the environment.
